

OSAA Foundation School Participation Grant

The OSAA Foundation is proud to announce the School Participation Grant for 2014-15. This grant is focused on promoting participation in local Oregon high schools. Five grants up to \$10,000 will be awarded to full member schools of the OSAA.

Applying schools must write a formal letter of application and create a presentation on how they will use the grant. The application shall describe in detail the project or initiative, current participation numbers in the school and how the grant will positively impact the school, the students, and the community.

Each application will be reviewed by the OSAA Foundation Staff with the final decision being made by the OSAA Foundation Board of Directors. Incomplete applications will not be reviewed. All full member schools of the OSAA are eligible to apply.

The Foundation is looking for innovative ideas from school communities on the promotion of participation in extracurricular activities. Successful grants will be highlighted on the OSAA Foundation website.

Please submit applications by January 5, 2015. The OSAA Foundation will confirm receipt of the application. Winners will be announced in April. One application per school, per academic year.
